## Gel X Heat/Cold Packs

**13030390 Gel X Sport Hot Cold Pack**  
Small 13x22cm

**13030391 Comfort Hot Cold Pack**  
Medium 13x28cm

**13030392 Comfort Hot Cold Pack**  
Large 18x28cm

### Features

Superior to all other hot cold packs

Patented technology – hexagonal silicone mesh frame

Internal silicone frame traps gel to evenly distribute temperature

Technology maximises temperature retention for hot and cold use

Silicone frame moulds better to individual contours of the body

Dual fabric design for improved temperature control

- Soft fleece side for sensitive & fragile skin

- Canvas side for more intense temperature transfer
