

Medicrepe® Elastic Crepe Bandage - Medium

Bodichek Elastic Crepe Bandages provide excellent stretch and memory, ensuring a snug, yet comfortable fit, adapting seamlessly to the contours of the body. The crepe texture provides high breathability, promoting air circulation to keep the skin dry and comfortable during extended wear.

Fast Edges

Prevents bandage from fraying and losing shape

High Stretch

Stretches up to 300cm, allowing for effective compression without restricting movement

Securement Clips

Inclusion of clip for bandage securement

Helps Reduce Swelling

Can be used to help compression of a new injury to alleviate swelling

- Suitable for:**
- Securing dressings
 - Compression to alleviate swelling
 - Support for soft tissue injuries such as strains and sprains

REF	Size	Features	Sterility	Pcs/Unit	Units/Ctn
WB001	2.5cm x 1.5m	Unstretched	Non-Sterile	12	120
