

## GelX Comfort Hot/Cold Pack

GelX Comfort provides dual temperature therapy for sensitive skin and delicate areas. Its soft fleece fabric side provides a gentle transfer of temperature whilst the canvas side allows for more intensity. GelX Comfort include a unique honeycomb internal frame to maintain its shape, providing even temperature on the affected area.

### Soft Touch Fleece

Provides gentle, non-abrasive comfort and relief to sensitive skin and delicate areas

### Unique Honeycomb Layer

Patented internal frames traps gel evenly to provide consistent and even temperature

### Reusable Hot or Cold

Can be reused for everyday needs. Suitable to microwave or freeze

### Suitable for:

- Soothing body pain and aches
- Easing menstrual cramps
- Helping reduce swelling
- Cooling down body temperature
- Relieving minor burns

Sentry Medical proudly supports the McGrath Foundation who raises money to fund specialised McGrath Breast Care Nurses who provide care and support to individuals and their families experiencing breast cancer.
