

Instant Ice/Cold Packs

Bodichek Instant Ice/Cold Packs are single-use, non-refrigerated packs designed to provide immediate cooling relief from pain and reduce swelling from minor injuries. The ice packs are compact and versatile—ideal for treatment on-the-go with an easy strike and shake activation.

Reduces Swelling

Immediate cold therapy to help reduce swelling and alleviate pain

Conforms to Body

Flexible design allows pack to conform over the affected body area for optimal contact

Easy to Use

Simple strike and shake to activate instantaneous cold therapy
