

Briefs and Pelvic Briefs

Owear Briefs and Pelvic “V” Briefs are made from soft, breathable materials. They are gentle on the skin and comfortable, reducing the risk of irritation or discomfort. The design of these briefs allows for easy application and access for medical examinations and procedures, aiding healthcare professionals to perform their duties efficiently while preserving the patient’s modesty.

Anti-Static
Enhanced patient comfort

Non-Irritating
Non-woven fabric suitable for fragile skin

Generous Sizing
Waist and leg openings provide generous sizing for a comfortable fit

Briefs
