

Clear Visor

The Owear Clear Visor is designed to safeguard the face, particularly the eyes, nose, and mouth, from hazardous substances, including bodily fluids, blood splatters, chemical splashes, and airborne particles. The visor is designed to provide ample space between the face and the shield to accommodate additional protective equipment like masks, goggles, or glasses.

Foam Support

Headband is padded to reduce pressure and ensures comfort during extended wear

Anti-Fog Coating

Maintains clear vision during procedures or in humid environments and prevents condensation build-up

Splash Resistant

Provides a face and eye barrier against infectious agents, reducing the risk of infection

- Suitable for:**
- Operating theatres
 - Emergency rooms and isolation wards
 - Protection against dust and fluid splash
