

Basic Dressing Packs

Convenient and easy to use, Sage Basic Dressing Packs provide an all-in-one solution for basic wound care and general purpose medical procedures. These packs require no preparation time, and come in sterile condition to ensure sterility and safety. The packs feature a patented non-touch opening method, ensuring aseptic integrity and allowing them to be opened without compromising the sterile field.

All-In-One Pack

Sterile components provided in all-in-one pack for streamlined medical procedures

Ideal for Infection Control

Provides an on-demand sterile set-up to help minimise risk of infection

Time Efficient

Save on set up time during a medical procedure

Various Component Options

Packs are offered in a range of configurations and are available in tear or peel pack options

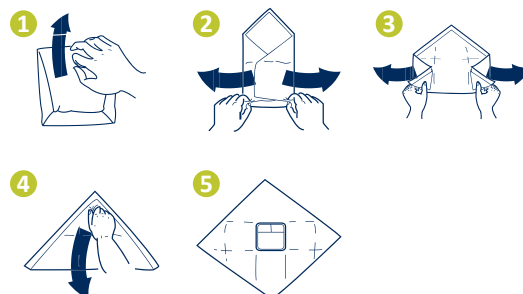

Suitable for:

- Post-operative and wound care
- Inpatient and outpatient settings
- Emergency departments

11001001: Pack #1
