

IV Starter Packs

Convenient and easy to use, the Sage IV Starter Pack provides an all-in-one solution with essential items to initiate intravenous therapy swiftly and effectively.

The IV Starter Pack helps maintain a sterile environment, ensuring that healthcare professionals can perform the procedure safely and hygienically, reducing the risk of infections.

All-in-one Pack

Comprehensive components help streamline medical procedures

Aids in Infection Control

Provides an on-demand sterile set-up to help minimise risk of infection

Clinical and Time Efficient

Access to vital components for IV therapy and easy setup

IV Starter Pack #9

Suitable for:

- Outpatient clinics
- Surgical procedures
- Emergency rooms and trauma care
