

Bed Cover Rolls

Verasoft Bed Cover Rolls provide surface protection for examination beds to aid in preventing cross-contamination. With a width of 72cm, these Bed Cover Rolls fit most stretchers and examination beds. These convenient rolls enable clinicians to provide a clean and fresh examination surface for each patient.

Scissor Free Cutting

Perforated at 50cm intervals, no scissors required to cut to length

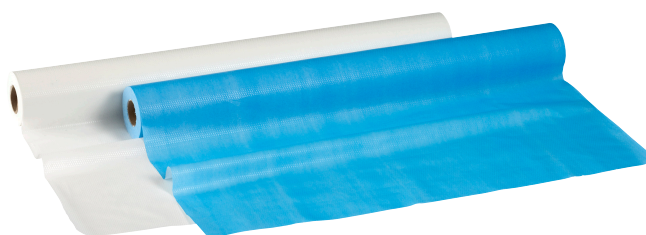

Ideal for Infection Control

Protects examination beds and aids in maintaining a clean and hygienic environment

Durable

Absorbent and water resistant layers

10125517 & 10125518

Dispenser: 10130220
